

Download Ford Focus Manual Transmission Fluid Change Interval

Change manual transmission fluid at 150k?! | Ford Focus ST ...

It says the fluid needs to be changed in the transmission at 150,000 miles. I know fluid has come a long way but is that right? This was in the Focus manual all it says in the ST supplement is to see the owner's manual. My wife's car (2009 Scion tc - auto) and my previous vehicle (2009 Jeep Patriot - manual) required a flush at 60k.

Manual Transmission Fluid

I've owned a manual 2002 Ford Focus ZX5 for 5 years. I bought it with 77,000 miles and it now has 112,400. I've been pretty good at having the oil changes and tune-ups at the right mileage. This last time I took it to a new service place, they suggested I looked into changing the Manual Transmission Fluid.

Ford F150 Scheduled Maintenance Guide

Check your brake fluid level on a bi-weekly basis, using the markings on the reservoir. Add fluid as necessary, referring to your F-150's owner's manual for type. Change your Brake fluid every 50,000 to 80,000 kilometers Changing your brake fluid requires a socket set, screwdrivers, rubber tubing, a drain bucket, and an assistant to help out.

Manual Transmission

How often are you supposed to get your gear oil changed out for your manual transmission? I was talking to a mechanic today who said in a manual ford you never need it changed unless you do tranny work, and one I talked to a few weeks ago said get it changed at 30k. So I'm at about 31k now, and... what do I do?

2005 Focus 5spd MT

When I did the Manual Transmission fluid exchange on my former 2010 Focus I used the Ford fluid which I bought @ the dealer. Did alot research on the subject at the time and determined the Ford fluid was the best to use. Amsoil makes a good manual gear fluid as well. 75w-90. Super easy to do and really was worth it.
