## Reteaching 10

Name Class Date Reteaching 10-4 Box-and-Whisker Plots A box-and-whisker plot is a graph that summarizes a  
data set along a number line. Make a box-and-whisker plot for the data in the table at the right.

## Length and Line Plots 16

Length and Line Plots Dorothy measured the lengths of the fingers on her left hand. She also measured the  
length of her thumb. Dorothy wants to make a line plot to show the measurements. The line plot can organize  
the data of her finger and thumb measurements. Remember the steps for making a line plot. Draw a number line  
and choose a scale based

## **Teaching With a Mountain View: Line Plot Activities and ...**

They create a "line plot" using the money, then transfer it into a true line plot with Xs and fractions. Simple and fun, and it is a quick way to show students the bones of a line plot as well as give them a way to remember that each X stands for a piece of your data.

### **Session 2, Part B: Line Plots**

Let's begin with a recap of Problem B7 from Session 1. How many raisins are in a half-ounce box of Brand X raisins? The weight of a box of raisins appears on the package, but the number of raisins in the box does not. In this activity, you will investigate how many raisins are in a box of a ...
