T

I have been teaching factors for a long time now, and it wasn't until I came across a picture on Pinterest that I had an Ah-ha moment! The T-chart! Why have I never thought of this before? I have always modeled finding factors by listing them horizontally. Today, I used this with my 4th grade [...]

TR

T-Chart Writing Tips and Rules (PDF) This document gives instructions to teachers on how to complete a Math T-Chart, using the seeded T-Chart to create a program specific Math T-Chart. The seeded Math T-Charts already contain the math procedure for teaching the PA Core Standard on the right side.

Fabulous Fourth Grade: Anchor Charts

I normally don't reteach the skill after I redo an anchor chart. I do post the anchor chart some where in my classroom, and I will reference back to it for other lessons. The students really do like the charts. They use them to help answer questions in guided reading. I put the math anchor charts on the wall, and they refer back to those.
